Subject: RE: MABAS-IL HazMat Committee Appointment

Sir,

I have returned from the MABAS Conference in Bloomington IL February 22-25. I attended this conference in my official capacity on-duty and drove a CFD vehicle down. MABAS covered my hotel room Feb 22, 23, 24 (I had the hotel dates wrong on my initial email) and they provided all participants dinner on Monday and box lunches Monday and Tuesday; all as working sessions during the conference. On this trip I did not accept gifts that totaled over \$50 or an honoraria.

Thanks Steve, let me know if you need any more information.
